**Subject:** Groundwater Plume on the NPL - Doodle Poll Request  
  
**Importance:** High

Hello Everyone,

On behalf of Kirk Koudelka, a doodle poll has been set up with 3 options in June in order to schedule a conference call with the MPCA, EPA, and the cities of Edina and St. Louis Park. Please open the link below and indicate whether you are available for any of the options provided at your earliest convenience.

As soon as I hear back from everyone, I will let you know if a date and time has been determined or if we need to look at new options.

Thank you,

Karen
